

## **Teri Kingston DTM Wins Area Contest**

Teri competed at the Division A level Contest on Sunday (*March 28 2010*) afternoon and won 1st place....meaning she now competes at the District level at the Spring Conference in late April. Teri prepared a brand new speech in the time leading up to the competition, and it was a super delivery and universal message and theme that won the competition!

We are very proud of this great accomplishment!

Harry Kingston placed 2nd in the Table Topics Contest!

We are so proud of Teri's success!

(A special "Thank you" to Malcolm for taking the time to travel to Morrisburg to support Teri)
